

# DUO SINESI - MAZZA

## REVIEW

### PROJECT COMPOSED BY QUIQUE SINESI AND ALBERTO MAZZA

---

The duo develops different Argentinian music genres like folklore, tango and candombe combined with world music, jazz and improvisations with a personal style.

Most of the compositions in this repertoire are by Quique Sinesi, others belong to Gustavo "El Cuchi" Leguizamón and improvisations.

In the DVD recorded by the duo for the book "Argentine Folk Music an Improvisation Approach", there are three compositions by Sinesi and some guitar and drums improvisations.
